 *Better Health Care for All Floridians*

PASRR Requirements

- Federally mandated pre-admission screening program required in 42 CFR 483 Subpart C.

AHCA.MyFlorida.com

 *Better Health Care for All Floridians*

PASRR

- Medicaid reimbursements are subject to recoupment for any date of service paid prior to completion of the PASRR process.
- Medicaid may sanction and fine nursing facilities if Medicaid paid for services prior to completion of the PASRR process.

AHCA.MyFlorida.com

Better Health Care for All Floridians

PASRR

- All individuals admitted to a Medicaid certified nursing facility must have Level I PASRR completed regardless of payor source, includes private pay, Medicare and Medicaid admissions.
- Typically Level I conducted by discharge planners and hospital staff for all patients as a step of the discharge process.

AHCA.MyFlorida.com

Better Health Care for All Floridians

PASRR

- Level II PASRR evaluation is conducted based on the Level I screen which shows an indication of, or diagnosis of, a serious mental illness or mental retardation or related condition.

AHCA.MyFlorida.com

Better Health Care for All Floridians

PASRR

- The purpose of the Level II is to comprehensively assess individuals who are known to have serious mental illness, mental retardation, related condition or could possibly be affected by those conditions, and identify any specialized services required for placement in a nursing facility.

AHCA.MyFlorida.com

Better Health Care for All Floridians

PASRR

- Pre-Admission Screening (PAS) is required once in a lifetime.
- A PAS Level I and Level II (if requested) must be completed prior to the date of admission.

AHCA.MyFlorida.com

Better Health Care for All Floridians

PASRR

Resident Review (RR) must be completed:

- when there has been a significant change in the individual's condition since the PAS;
- if resident was admitted under a Level II hospital exemption and then requires long term care services.

MDS 3.0 and PASRR

- New to MDS 3.0 is A1500 which documents if a PASRR Level II determination has been issued.
- This is the first time PASRR has been specifically addressed in the MDS process.
