

FMDA Call for Poster Submissions

— Submissions from physicians, pharmacists, PAs, and nurse practitioners now accepted online.

FMDA is hosting its 7th Annual Poster Session during the Best Care Practices Conference, Oct. 29-30, 2010. The first 10 applicants who are accepted by the review committee will receive complimentary registration to the 2010 conference (only one applicant per poster presentation will be considered).

Poster sessions provide an opportunity for practicing physicians, pharmacists, and nurse practitioners to share with colleagues the results of research, best practices, and outcomes. The sessions are visual presentations using diagrams, charts, and figures. Poster presentations may be on any aspect of the following categories: clinical care, pharmacology of medicine, medical education, history of medicine, medical direction, medical care delivery, medical ethics, economics of medicine, and pediatric long-term care — and in any long-term care setting.

19th Annual Program.**

All poster abstract proposals must be submitted online on our website at www.fmda.org. All submissions that are complete and follow the Criteria for Acceptance of Posters will be considered and reviewed based on the content contained within the proposal.

Submission of a proposal is a commitment by at least one author to be present at the designated times to discuss the information in the poster with symposium participants.

We have arranged the schedule so that there is no overlap between educational sessions and poster exhibit times. The primary presenter listed on the proposal will be informed of its status no later than Sept. 26, 2010. Guidelines for presentation and preparation of visual material will be sent to the primary presenter upon acceptance.

Authors whose abstracts are accepted for presentation at the symposium will have their abstracts submitted for publication in the *Journal of the American Medical Directors Association (JAMDA)*.

To learn more, or to submit a proposal, go to www.fmda.org, or call Ian Cordes, FMDA executive director, at (561) 659-5581.
